Agenda

Approve Minutes of the March 6, 2014 meeting: A motion was made by Kurt Schramm to approve the minutes from the March 6, 2014 meeting. This was seconded by Ellen Dunham Bryant and carried.

Deane Center Request: A request to put signs out "open for retail only" in front of the Deane Center was not approved. Instead, the Director could consult with the Commissioners regarding their parking lot availability for evening performance parking, consult with the C&N Bank about their corner lot on Nichols Street, and give parking information to the instructors of classes being held. When the conversion to 10 hour meters has been completed in the chosen areas, we could publish a map and distribute it.

Holiday Free Parking: It was decided to have free parking throughout the Borough beginning Saturday, the 22nd of November, 2014 and ending December 31, 2014. This was made a motion by Jim Paxson, seconded by Ellen Dunham Bryant, and carried 4-0. We will have this news inserted into the November edition of the Newsletter.

Update on Parking Meter Ticket Person: Manager Strausser advised the Authority that Tre-Hab is still looking for another person for this position.

Meters: We have been working on converting all of the meters in the Water Street lot to 10 hour meters.

Adjourn: Adjourned at 11:35 a.m.
