New Business:
Approve Free Parking through Holidays- Kim Miller made a motion to approve free parking beginning Friday November 20th through the 3rd of January 2021. Jim Paxson seconded the motion and it carried.

Other Business: Chief Bodine presented a proposed change to the ordinance for consideration. Because some few repeat offenders do ignore the parking tickets and the mailed notices, Chief Bodine proposes to add a towing component to the ordinance. This would both free up parking spaces and compel the violator to pay the tickets in order to get the vehicle back out of the towing company lot. With this component added the ordinance would become more enforceable.

Kim Miller made a motion to recommend adding a towing component to the ordinance, which would be utilized at the Police Chiefs discretion. Jim Paxson seconded the motion and it carried. This will be passed along to Council.
