1. **Timeless Destination Concerns-** Jerry and Roberta Curreri- expressed concerns about the parking lot behind Timeless:
   - **a.** Meters are not marked with days and times necessary to put the money in. No signage exists either. Can the parking lot be changed to 10 hour meters like the Water Street lot? It is frustrating to diners and employees to walk out every two hours and feed the meters.
   - **b.** Ticketing is so random; how could they know when they would be ticketed?
   - **c.** Delivery drivers get a ticket for parking in the alley, and when they feed the meter and then go deliver meals, the spot is taken when they return. Anything the Borough can do to help?

   The Parking Authority will consider their concerns when making recommendations to Council.

2. Update on Parking Lot Signage
Signage- the signs are here and will be up soon.
Map will be compiled- now that the Pearl Street meters are completed.
We will put signage at the ½ price lot.
