MINUTES OF THE WELLSBORO PARKING AUTHORITY
March 7, 2013

The meeting of the Wellsboro Parking Authority was called to order by Chairman Alan Garrison. Council President Joan S. Hart, Borough Manager Daniel K. Strausser, Secretary/Treasurer Susan Keck, Kurt Schramm, Terry Bryant, and Lisa Meade were in attendance.

The TREHAB Experience Works program has a senior who would be interested in a pilot program for the meter person position. This program would fully fund a 16 hour per week position for up to two years, and perhaps an additional two year extension. We would interview with Dan, the Chief and perhaps Alan. Two people they have on hand now are capable and good candidates for the program. We would outline the duties, hour, etc. The program pays wages, insurance and all the Borough would do is fill out a time sheet. This person would report to the Chief of Police.
Kurt Schramm made a motion to recommend to Council proceeding with the Pilot Program, Lisa Meade seconded, and it carried unanimously. Dan will present the recommendation to Council.

John Murphy's office on Pearl Street requested permitted parking.

Long Term Parking : John Dunham may have some parking available.

The Department of Weights and Measures no longer certifies meters, so we will need to consider training someone. The Department will be updating us on what they recommend for municipalities.

Adjourn 11:35 a.m.
