New Business: None

Old Business: Continuing Review of Parking Study:

Borough Council approved the reclassification of 2 hour meters to 10 hour meters except the spaces along Pearl Street, the incentivizing of Water Street Parking Lot and 5 spaces along Water Street by making them two hours per quarter versus one hour per quarter, and the recommendation not to install meters on Crafton or Pearl Street, so those changes have begun to be implemented.

Six meters have been sent out to recalculate to the 2-hours per quarter.
Two meters are going to be installed in front of the Armory.
The 10 hour meter recommendation along north Main was not implemented in order to keep a turnover on Main Street.
The one hour meters on Main Street were all replaced to 2 hour meters.

These changes will all be noted within the upcoming ordinance codification.

As listed in the summary of recommendations- the Municipal Parking lot signs will be going up as soon as weather permits. When the meters are all changed to long term we will prepare the map for distribution. We will put it on the back of the water bill, in the next Quarterly Newsletter, and in the Newspaper.

Some items to check into are:
A no parking sign is felt to be needed on Pearl Street by Bull chiropractic.
One may also be needed by the Dance Studio at the end of Main Street.
One at In-bound at the U-Turn also.

We will be adding meters in front of Native Bagel and those Bagel Parking only signs will be coming down.
Bike racks will be going to Packer Park.
The Draft map will be emailed out for approval when complete.
