Public Comments on Agenda Items- none

Items:

1.) Pearl Street Parking Lot/Dumpster Discussion – One large dumpster has been ordered for the side parking area in the Pearl Street lot. The area now will house one large dumpster and recycling containers. The oil recycling container will be moved closer to the front of the area so it is easier to empty, which will possibly eliminate the mess. The Borough has purchased an addition dumpster for cardboard and a catch tray for the oil recycling containers. All dumpsters are to be removed by May 6, 2024.
2.) Parking Pass Discussion –

Kim Miller made a motion to offer one month parking passes that are valid only in the municipal lots. The motion was seconded by Curt Schram and carried.
